Living A Course in Miracles

& Standup Philosophy as Dr. Baba Jon Mundane

Living A Course in Miracles means integrating the principles of the Course into our lives. The Holy Spirit's voice is as loud as our willingness to listen. As we have over-learned the lessons of the ego, we have a bit of work to do to engage in a reversal of the thinking; heal the terrorist within; learn a new lesson from a Perfect Teacher and do what God would have us do. We cannot behave appropriately unless we perceive correctly and then do what God is asking us to do. It is the only way to true happiness.

Jon Mundy, Ph.D. is an author, lecturer, the Executive Director of All Faiths Seminary International in New York City, and the publisher of *Miracles* magazine. His newest book *Living A Course in Miracles* is published by Sterling Publishing a division of Barnes & Noble. Jon taught university courses in Philosophy from 1967 to 2009, with a specialization in Mysticism. He met Dr. Helen Schucman the scribe of *A Course in Miracles* in 1973. Helen introduced Jon to the Course and served as his counselor and guide until she became ill in 1980. He also appears occasionally as Dr. Baba Jon Mundane a stand-up philosopher comedian.
